

Class 3 Learning Snapshot

Summer 1 - 2026

ENGLISH

In English this half term, the children will be focusing on the book 'Leon and the Place Between' by Angela McAllister. They will explore the author's use of language, focusing on how descriptive techniques create atmosphere and bring the magical setting to life. Using the structure of the original story, they will plan their own version, in which their character enters a magical world.

MATHS

This half term, both year groups will be learning about time and money.

All children have a TT Rockstars login so they can practise at home. (Logins can be found in the back of reading diaries). **Year 4 children have their statutory Times Tables Check in June**, so regular practice is especially important.

Parents as partners

Here are a few suggestions on how you can support your child's learning further.

Reading

Reading at home is vital. Please make sure you comment and sign your child's reading diary.
